

HORUS GLOBAL

GLOBAL PERSONAL PROTECTION 24/7

www.horus-iapp.com

the unique travel safety app with personalised security intelligence, monitoring and response services.

'Watch Me Closely'

ACTIVATES REAL-TIME MONITORING AND SUPPORT FROM THE CONTROL ROOM TO GET YOU TO SAFETY

Unique to the Horus-I app, the 'Watch Me Closely' feature is designed to offer assistance in times where a traveller may feel unsafe.

Activating the 'Watch Me Closely' feature will alert the Control Centre to begin closely monitoring your location and make 1-to-1 contact to offer assistance and advise on getting the user to safety.
